ONCOLOGY NURSING SOCIETY FOUNDATION
2012 ADHERENCE TO ORAL CHEMOTHERAPEUTIC AGENTS RESEARCH GRANT
LETTER OF INTENT INSTRUCTIONS

DEADLINE DATES:

- **2012 Adherence to Oral Chemotherapeutic Agents Grant Letters of Intent Due: March 19, 2012**

PURPOSE OF GRANT:

The purpose of the Oncology Nursing Society Foundation Major Grants Program is to support oncology nursing research conducted by beginning and experienced researchers. Funding preference is given to research that addresses the ONS Research Priorities and the ONS Research Agenda.

ELIGIBILITY:

The principal investigator must be actively involved in some aspect of cancer patient care, education, or research. Funding preference is given to projects that involve nurses in the design and conduct of the research activity and that promote theoretically based oncology practice. Membership in ONS is not required for eligibility. Please refer to further application eligibility requirements in the application instructions found on the ONS Website at: (<http://www.onsfoundation.org/apply/re/Adherence>).

GENERAL INSTRUCTIONS:

- **The letter of intent is due 1 month prior to the application submission date.**
- Download the fillable Letter of Intent form from the ONS Website at: (<http://www.onsfoundation.org/apply/re/Adherence>).
- Applications without a prior letter of intent will not be considered for funding. The letter of intent must be submitted electronically on the form provided in the appendix and includes:
 - The title of the project
 - A short statement including the purpose/background, aims, methods, design, sample, and setting
 - The names, institutional affiliations, history of research funding, and roles of all members of the research team, and
 - A list of potential research sites, if applicable

The letter of intent is used to select qualified reviewers and verify the research team composition. The letter of intent is to be submitted electronically and receipt will be acknowledged by e-mail. The submission and acceptance of a letter of intent does not imply that the applicant will receive funding. Investigators will be notified if projects are deemed inappropriate for this particular application.
