

ONS Foundation Research Grants Program

Thesis and Dissertation Projects

INSTRUCTIONS AND SIGNATURE FORM

Name of Principal Investigator: _____

Preliminary Thesis or Dissertation Work. Graduate students are encouraged to apply for funding that supports work that is considered preliminary in nature or “related” to their thesis or dissertation. Examples of preliminary or “related” work include a study to pilot the data gathering procedures, a feasibility study that is required prior to a subsequent revision of the thesis or dissertation proposal, a study to test the experimental manipulation (intervention), or preliminary work to develop and pre-test a new instrument.

Is the proposed study considered preliminary work; pilot work that is necessary before obtaining final approval from your thesis or dissertation committee?

YES NO .

Is this proposed study your thesis or dissertation project?

YES NO .

Is this study is your thesis or dissertation project, has the proposed study been approved and signed off by all members of the committee? Approved projects represent the final version of the thesis or dissertation proposal; the version that has been *approved and signed-off* by all of the members of a student’s supervisory committee. The Oncology Nursing Society Foundation will accept applications for master’s theses or doctoral dissertations **ONLY IF THE PROJECT HAS BEEN APPROVED AND SIGNED OFF BY THE PRINCIPAL INVESTIGATOR’S THESIS OR DISSERTATION COMMITTEE.**

THESIS OR DISSERTATION COMMITTEE CHAIRPERSON’S SIGNATURE REQUIRED:

Faculty Chairperson (Name, Title, Address, Signature, Date)

I certify that the submitted grant application represents the final (approved) version of the student’s thesis/dissertation proposal approved by the student’s thesis/dissertation committee. No changes to this proposal will be made. (I have attached the signed University Proposal Approval Form.)
